Offering Support During Hard Times

Emergency relief provided by the Massachusetts Immigrant Collaborative to **35,000** immigrant families experiencing hardship because of COVID-19. Rian is the fiscal sponsor and active partner in the state-wide 15 group collaborative.

Creating Pathways To Stability:

IMMIGRATION LEGAL SERVICES

Expert immigration legal advice and representation for **2,030** individuals and families leading to jobs, permanent residence, US citizenship and new beginnings. Since shifting to virtual support, our attorneys are able to provide more consultations; are providing case representation to 15% more families than in 2019; and increased collaboration with shelters, hospitals and schools

Creating Pathways To A Healthier Future:

RESOURCE & SUPPORT SERVICES

Stability and hope for **250** family members during stressful times. Our social workers reached out to families to offer counseling and case management, connecting people to essential needs and services.

Creating Pathways To Self Reliance:

EDUCATION SERVICES

Empowerment for **190** students who gain English language fluency, technology skills and employment opportunities. Said one student, "Online classes are [interactive] and I have been learning more than I had expected. Every week we ... learn new vocabularies about topics. I'm thankful for this opportunity [at] The Rian Immigrant Center."

Creating Pathways For Future Global Leaders:

LEARNING EXCHANGE PROGRAM

Rian supported over **400** young Irish men and women on the J-1 visa program gaining skills and experience, and assisted them in returning back to Ireland after the onset of COVID-19.

Creating Pathways to a better future for all:

ADVOCACY AND INCLUSION

Rian stands in solidarity with the immigrant community against unfair, racist and discriminatory policies. With our partners, we advocate for just immigration policies, and work to create bridges between communities.

ANTIRACISM & BLACK LIVES MATTER

Rian is committed to antiracism and building an organizational culture in which all employees and volunteers feel a sense of belonging, safety and feel valued. In 2020, we convened a number of community conversations on Black Lives Matter and are continuing this work in 2021.
